

KURANDA POLO

1323 MENS Size: S-3XL+5XL 2323 LADIES Size: 6-26

PRODUCT DESCRIPTION

The ultimate in breathability and performance. The Kuranda is built for hot climate wear with its twin fabric construction. The main body is made from lightweight polyester with our DRIWEAR technology with the addition of mesh panels under the arms and across the top back.

Our designers have used body heat map technology and innovative fabrics to create the best polo on the market for hot climates.
