UNIQUE FEATURES

- Embraces the softer formality of a modern fashionable uniform.
- Pop-over style that's designed to be worn out is both professional and comfortable.
- Enveloped 1/2 tucked front adds shape and definition without actually tucking in.
- Looser silhouette floats over the mid-section and flatters the tummy area.
- Easy and effortless, this fabric is quick drying and requires minimal ironing.
- The fluid fabric with a woven mechanical stretch for even more comfort
- Minimal 'show-through' even on the lightest colours.
- Available in classic colour tones that are easy to coordinate.
